

# Cat's Meow

***Find a great bargain and help others at the same time!***

Offering four locations in the Great Lakes Bay Region.

Do-All, Inc. opened The Cat's Meow Thrift Store in 2006 as a supported employment site with the goal of providing experience to our trainees with an interest in retail management. Since then, over 90% of our employees have been able to take advantage of the opportunities offered by these businesses.

Do-Retail trains in all aspects of retail management at The Cat's Meow by working with their department supervisor in all areas of the stores including receiving and warehouse as well as spending time stocking and creating merchandise displays.

**The Cat's Meow - Essexville** offers a vast selection of gently-used clothing, household items, books, furniture, jewelry, electronics, toys, tools and so much more. We truly do have something for everyone.

**The Cat's Meow Downtown** opened in the spring of 2009. This upscale resale store has a boutique atmosphere and specializes in brand new merchandise. We also offer household goods and a consignment furniture department.

**[Be sure to visit our eBay RetroKittyStore, too!](#)**
