

Who We Serve

Do-All, Inc. serves developmentally disabled people and others with barriers to employment including people living with traumatic brain injuries, and on occasion, physical injuries.

Individuals with barriers to employment are referred by Michigan Rehabilitation Services, Bay Arenac Behavioral Health and private insurance companies.

If you have a disability, and would like assistance to find employment, please contact your local Michigan Rehabilitation Services office. In Bay City the phone number is **989.894.6300**. If you are a customer of Bay Arenac Behavioral Health or a private insurance company, please feel free to contact your Supports Coordinator.
