

# Your Donations at Work

*“Thank you for my new coat. It is green and very warm. I’m so glad I got a new coat. When I am big I will donate a coat.”*

*- excerpt from a thank you note received from a child who participated in Coats  
for Kids*

It’s stories like this that make our work here at the Do-All, Family Enrichment Center so worthwhile! Thank you for all you do to help us meet the needs of families here in Bay County.
